

Things to Do and Places to See in Baltimore

With over 400 projects being judged over the day, Maryland History Day can be a long day between judging, runoffs, and the awards ceremony. If you want to get off campus and explore the city of Baltimore, which is a 15 minute drive away, here is a list of recommended places to visit.

Documentary and Performance Students: Please note that runoff participants will not be announced until around 1pm. If you move on to the second round, you must be present. Therefore it is not advisable that you leave campus until the announcement is made.
